

# DUST COLLECTION

## VACUUM ATTACHMENT

### FEATURES:

- Winner of Popular Science Best of What's New 2010
- Dust Control; Simply turn on the wet dry vacuum & snap the Wale-Tale on the bucket and you're ready to mix
- Cut down on clean up time
- Greatly reduce silica dust from mixing mortar & grout in buckets
- The WaleTale will not allow dust to escape the top of the bucket

The device clips onto the rim of 5, 3 1/2 or 1 gallon buckets and in companion with a shop vac and HEPA filter allows the tile setter to safely and conveniently mix indoors. The WaleTale is the first tool engineered for the tile setter to address the negative effects of the inhalation of free crystalline silica in the work environment. Lets face it, mixing mortars and grouts in buckets is the worst aspect of tile setting. We all know how bad the dust is to breath. Costly dustless mortars are available but they don't completely eliminate the dust. Save your lungs, try a WaleTale.

No.	DESCRIPTION
WT2018 572292	WaleTale Vacuum Attachment

**With the WaleTale** (Left) vs **Without the WaleTale** (Right)

**OSHA COMPLIANT**

**SILICA STANDARD TABLE 1**  
OSHA Silica Dust Standard 28 CFR 1926.1153

**Easily snaps onto the rim of the bucket**

**HOSE REDUCER Included!**

**Greatly reduces dust exposure on the job site!**

# DUST COLLECTOR

DUST COVER FOR DRILLING AND CORE DRILLING APPLICATIONS

### FEATURES:

- Fits most vacuum dust hoses
- Contains dust and water when drilling with up to a 2-1/2" bit
- Can be secured on horizontal & vertical surfaces with vacuum
- Cost-effective dust removal solution
- Prevents splashing when used with water

**WET OR DRY**

**INSTRUCTIONS:**

**STEP 1**

DUST COLLECTOR      HOSE CLAMP

Fits hose adapters with diameter range from 30mm - 48mm (1-1/4" - 1-7/8").

**STEP 2**

Once hose is inserted, use hose clamp to secure in position.

**Included:**

- Dust Collector
- Hose Clamp

**VACUUM SUCTION MOUNTING**

**ADHERES TO FLAT AND VERTICAL SURFACES**

No	DESCRIPTION	QTY
CBDC-1 573571	Dust Collector	1 Each

**Safety Warning:** Always wear eye and respiratory protection as well as proper personal safety equipment when using the product. Comply with ANSI B7.1 & OSHA Requirements

# DUST GUARD

DUST COLLECTION COVER FOR GRINDING

### FEATURES:

- Designed for collecting dust when using high-speed angle grinder on any surface
- Easy installation and wheel changes
- Fits on selected 4-1/2" - 5" high-speed angle grinders
- Removes more than 90% of the dust
- Rugged construction for heavy-duty applications
- Must be used with a vacuum

**WET OR DRY**

**Attaches to Angle Grinders  
Connects to a Vacuum**

HEAVY-DUTY CONSTRUCTION	EASY TO INSTALL

No	DESCRIPTION	QTY
B-GRI-GUARD 572948	Dust Guard Collector	6 Per Case

**Safety Warning:** Always wear eye and respiratory protection as well as proper personal safety equipment when using the product. Comply with ANSI B7.1 & OSHA Requirements
