

PLAT1NUM KNEE PADS

BEYOND THE ORDINARY KNEE PAD

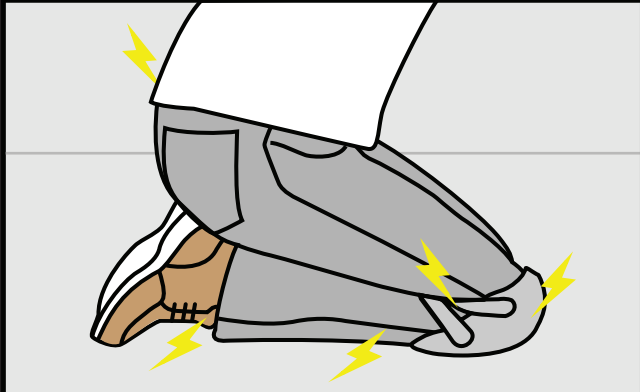

FEATURES:

- The ultimate in comfort and durability
- Custom fit- designated left and right legs
- Extra wide, straps won't bind behind your legs
- Shin support to take pressure off knees and toes

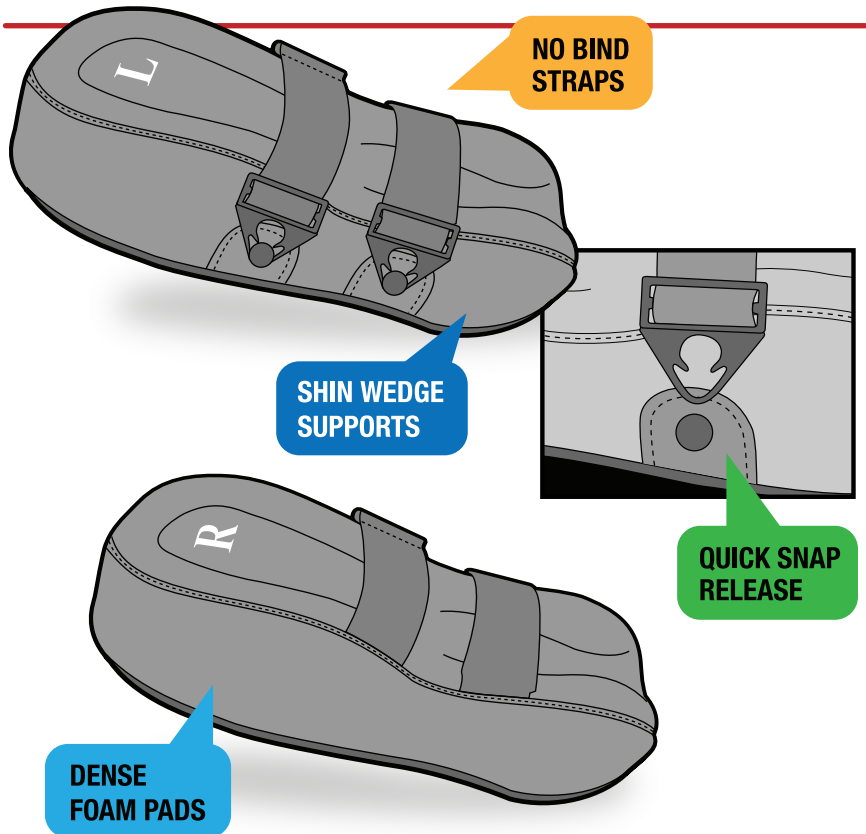

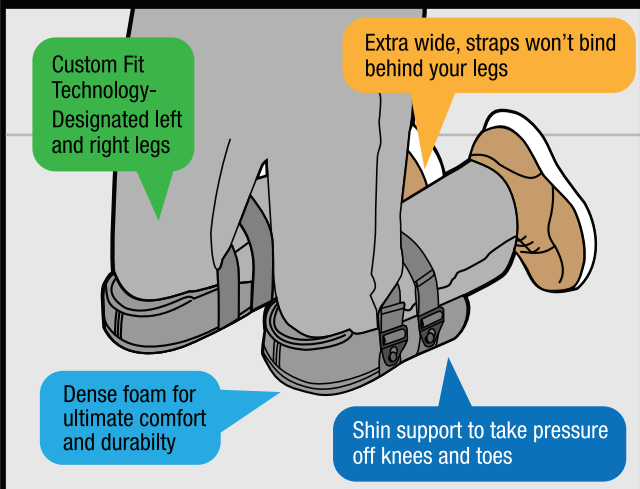

Unlike ordinary knee pads, ours are designed for comfort, offering a custom fit with designated left and right to match your knee caps. Your shin is supported with a lower wedge that takes pressure off both your knees and toes to allow you extended working time with minimal discomfort. Made of dense foam, these knee pads offer the ultimate in comfort and durability. Extra wide straps won't bind your leg.
