

CUT AND GRIND BLADE

CUT & GRIND 2N1 ELECTROPLATED SUPREME DIAMOND BLADE

CUTS & GRINDS:

LIMESTONE

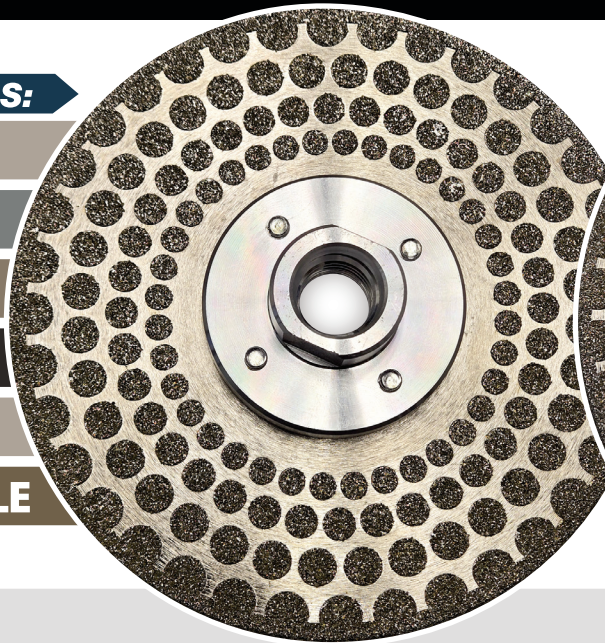

MARBLE

TRAVERTINE

ONYX

CERAMIC TILE

PORCELAIN TILE

5"

FEATURES:

- Electroplated diamond, on steel .102 core
- Provides fast, chip free cutting and grinding
- Fine supreme grit diamond for clean cuts
- Quad adapters for cutting and side grinding/shaping
- Use with limestone, marble, travertine, onyx and porcelain tile
- Not recommended for Granite

The BOE Cut and Grind Blade leaves a beautiful chip-free finish in various tile and stone materials. The blade is constructed with supreme quality electroplated diamonds on the face of the blade that sands and grinds the material fast without blowouts that are common from traditional diamond cup wheels. The flush cut adaptor gives you versatility that you can't get with standard blades.

5" x .102 x 7/8"
w/ 5/8 -11 Flange

Wet or Dry Use-

Works on Large or Small Right Angle Grinders
